9	Johnny	19	Danny
10	Mary	20	Sue
		21	Gus

A batting order must be submitted prior to the game and followed during the game. The batting order may not exceed 15 players and must list men and women separately and followed alternately such that two batters of the same sex may never bat consecutively.

***Males need to remember which male they follow in the line up. A female will always bat in between, but may be a different batter.**

***Females need to remember which male they follow in the line up. A male will always bat in between, but may be a different batter.**
