## TIE BREAKERS

If a game should result in a tie, specific game appropriate tie breaker rules have been established. See individual tie breaker rules on each rule sheet.

In the event there is a tie in the final standings, the final tie breaker will be the overall number of gold medals won throughout the entire competition. If counting gold medals still results in a tie, next tie breaker will be overall silver medals; then bronze medals.

## FORFEITS

Forfeit time for events is the printed competition time. Unless a team makes arrangements otherwise, teams that forfeit their first game in a double elimination competition will automatically forfeit their second game from the losers bracket.
